

## [We Offer Short Payoff](#)

**SHORT PAYOFF IS NOT A “LOAN MODIFICATION”,  
AND IT IS BETTER THAN “SHORT SALE”**

WITH THIS SYSTEM YOU CAN:

- STOP THE TRUSTEE SALE DATE
- **KEEP YOUR HOME!**
- CUT YOUR MONTHLY PAYMENTS IN HALF (1/2)
- **HAVE EQUITY IN YOUR HOME**

THIS SYSTEM IS NOT AN INVESTOR'S:

- LEASE OPTION TO BUY
- SHORT SALE BAILOUT

Skeptical about these foreclosure “bailouts”? So was I. But this system really does make sense and it is in the best interest of all (even the lender) involved. Let's get out of this bad economy by helping people keep their homes!

It can be applied both to Residential and Commercial properties in all 50 states.
